

CACFP Quilt Project

In order to help educate our country's leaders and secure support for the CACFP, we want to hear from you and your children about the importance of healthy meals and physical activity. Use this space to have your children create a picture representing healthy foods or physical activities that they enjoy.

Please mail them to:

**Knowledge Universe Education
Attention: Jodi Kuhn, Subsidy
Food Program
P.O. Box 6810
Portland, OR 97228-6810**

We will be assembling them in virtual quilts to deliver to Capital Hill during the CACFP Reauthorization process.

Artwork submitted through the CACFP Quilt Project will be used in various mediums and may be replicated to promote the Child & Adult Care Food Program.

Many thanks!
